CHANGING TIMES

The Bell Schedule

Soldan has undergone some very stirring changes this school year. Perhaps the most drastic was the coming of the co-op students from O'Fallon. These students attend classes at Soldan and learn a trade at O'Fallon. Busses transported co-op students to and from O'Fallon.

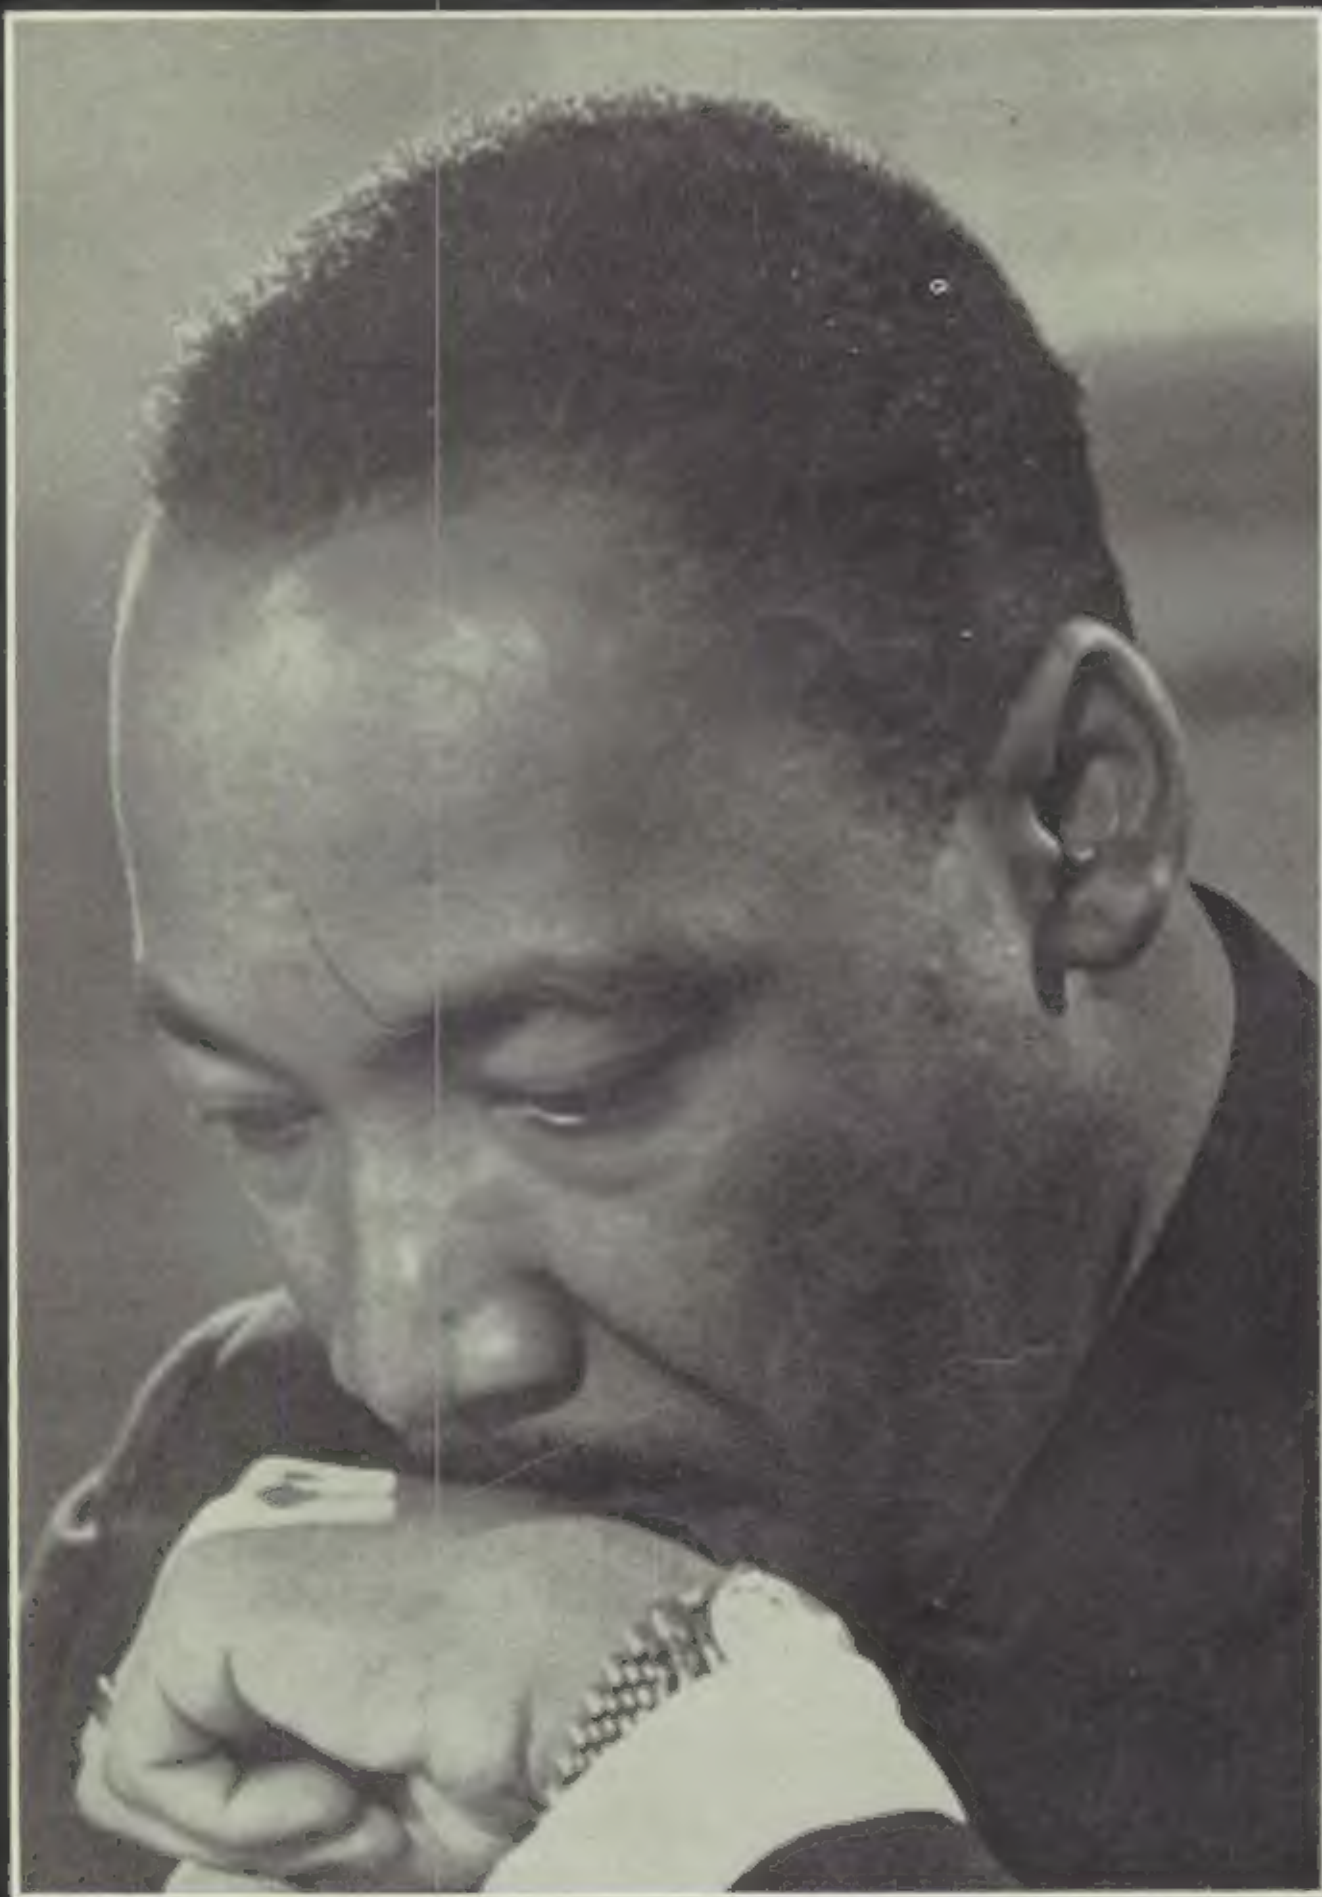

Because of the steep increase in the number of students attending Soldan, it was necessary to build an annex, containing six rooms on to Soldan. The annex stands where the Portables once stood.

In order to keep up with the times that the co-op buses arrive and leave Soldan, the bell schedule had to be changed. Instead of the usual eight period there became six. Each period became a grueling fifty-five minutes long. It became possible to have lunch in the middle of a class period.

ALL THINGS

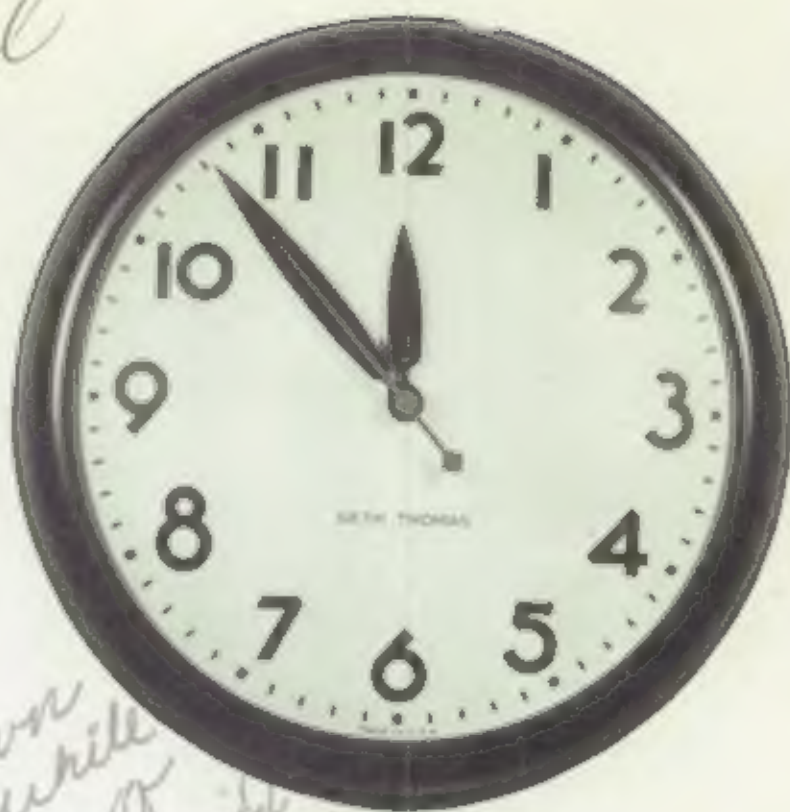

The first day of the school year at Soldan presented many problems. There were programs that needed corrections, there were hundreds of students without any programs, and there were many dissatisfied co-op students. These conditions continued for at least three weeks without much improvement. As time went on, however, students

were sent to the correct classes, students were given programs, and co-op students accepted their fate.

Soldan once again became one harmonious family. Students delighted in cheering at the games. Lunch became one happy play-hour again. All things matured in a little time.

HALLS OF SOLDAN

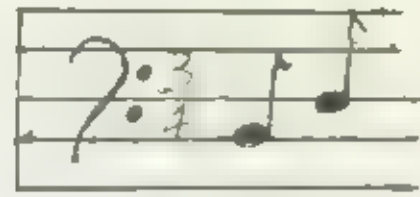

THE HALLS OF SOLDAN

Oh, we love The Halls of Soldan
that surround us here today.
And we will not forget tho'
We be far, far a-way.

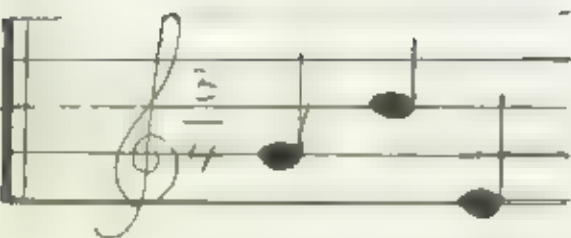

To the hal-low'd Halls of Soldan
ev-ry voice will bid farewell;
And shimmer off in twilight
like the old vesper bell.

One day a hush will fall,
The footsteps of us all
will echo down the hall and disappear.
But as we sadly start
our journeys far a-part,
A part of ev-ry heart will linger here.

In the sacred Halls of Soldan,
Where we've lived and learned to know,
That thro' the years we'll see you
in the sweet afterglow.
Oh, we glow

The curriculum at Soldan is similar to that of any other public high school. The administration as well as the faculty works overtime, during a school day and afterwards, to see that Soldan students receive the full benefit of their education. In return, the students strive zealously to improve their education and to participate in worthwhile clubs and sports activities.

MR. JOHN A. NELSON

PRINCIPAL

Mr. John A. Nelson has rendered invaluable services to Soldan students and faculty members for the past four years. As principal, he has taken time out of his busy schedule not only to show an interest in student problems, but also an interest in student organizations and activities. His ability to communicate with students and faculty members, his sense of humor, and his strong character set a fine example for Soldan students. The greatness of Soldan, the influential leadership of Mr. Nelson, and the men and women Soldan has produced, make it the tradition of Soldan students to strive for and to achieve high goals in these changing times.

DISTRIBUTIVE EDUCATION

Distributive Education prepares the students to serve in those occupations in which 33% of the population is employed. Distributive occupations are those workers are employed for the purpose of making available to consumers the goods and services produced by others.

This subject is taught at Soldan and is mean-

ingful to those students who are interested in entering the world of business. It is presented on a yearly basis. The objectives of the courses are to acquaint the students with the great potential employment opportunities in the field of distribution and to help take advantage of these opportunities.

ABOUT FACE!

This year and every year, it has been a tradition for the majorettes to march at halftime for football games in which our Soldan Tiger's participate. Their community projects included the Orphan Home Parade, Soldan's Homecoming Parade and the Firemen's Parade. The majorettes also help to promote school spirit at Pep Sessions and during School Spirit Week.

The majorettes practice every Tuesday and Thursday of the week after school. The majorettes under the direction of Mr. Vernon Nashville, believes that hard work and determination is the key to being a good marcher.

TIGERS CAPTURE P.H.L. TITLE

This year Soldan's football Tigers won the Public High League for the fourth year in a row. The Tigers came up against some pretty tough competition but managed to overcome all their competitors.

This year's co-captains Calvin Payne and Theodore Smith help to lead the victory but without the team there could be no victory. Mr. Anton and Mr. Evans were very proud of the Tiger football season as well as the students that cheered them on.

Prospects are excellent for future varsity cross country teams at Soldan because their B-team is booming.

The Chess Club, one of the many clubs at Soldan, is sponsored by Mr. Sylester Dickson.

The Club is open to any student with a desire to play or learn to play chess. It is a very interesting game which requires deep concentration and hours of practice.

The youthful Tigers strive to improve themselves so they will be eligible to play on the varsity team. During the Football season, the B-team finds that a thorough coach as Mr. Sharron Washington makes the group a better team, by teaching them the importance of unity and cooperation.

ALLIED YOUTH

Soldan's Allied Youth, Post 925, is an organization that's making great progress in warning young people about the dangers of taking narcotics, smoking tobacco, and drinking alcoholic beverages. It is not only a school project, but also an International organization.

The members and sponsor, Mr. Kees, meet every Thursday at 3:20 in room 300. As routine activities, they have bake sales and go on field trips. This past year they have attended a

Cardinal Baseball Game, visited Rakston Purina Company and had a picnic at Babler State Park. They have also had an assembly program featuring the Teen Challenge film, "Youth In A Fix".

As a contribution to the school, Allied Youth has bought the Tiger Mascot uniforms.

To become a member, a student must have an interest in the club and pay an annual fee of one dollar.

These were sent to the Vietnamese children by the Red Cross.

GROUP—SCHOLARS TODAY, LEADERS TOMMORROW

Students chosen by their grade school principal for their outstanding character, scholarship, and leadership abilities, participate in the Honors Group program. They begin as freshmen and continue to be a member until they graduate.

The main goal of the Honors Groups is to encourage its members to continue to attain

their high achievement record. Many of these remain prominent around Soldan for being on the Principal's honor roll and as recipients of an academic letter or stripe.

The scheduled events for the year included trips to see the movie *Funny Girl* and the play *Much Ado About Nothing*.

"IS EVERYBODY HERE"

B-Cheerleaders are important too. They keep the morale of the spectators up at the B-team games. They are just learning the skills that will cheer the fighting Tigers on to victory.

The B-team cheering squad is composed of eight girls. These girls are selected on their ability to perform various cheers. Uusally after one year on the B-team, they graduate to varsity.

Each May new members are inducted for the following school year. Only junior and senior students may become a part of the National Honor Society. The National Honor Society is responsible for all honor roll assemblies and the induction of new members

In November of 1968, the senior class elected five students as senior class officers to act as representatives of the senior body. Any senior who had a good academic record, a study hall, and the willingness to work, was eligible to run for an office. A primary election, involving more than twenty students, was held to eliminate the candidates down to two for each office: president, vice-president, secretary, treasurer, and reporter. After a brief campaign involving the displaying of posters and candy-decorated badges, the bonafided seniors took one day to vote during their lunch periods.

The duties of each officer were varied and plentiful and called for utmost patience. The president, Tyrone Polk, aided the senior class sponsor, Mrs. Mary Fenney, in the management of class activities. The vice-president JoAnn Bester read the bulletin during the advisory. Jeanette Moore, the secretary, kept all class preceding on record and files. Treasurer Jose Jones handled class dues and kept the money records. Jackie Green, class reporter, reported news of senior activities in the Prom Magazine and the St. Louis American Newspaper.

1969 SENIOR CLASS WORKERS.

SENIOR CLASS WORKERS OFFICERS

Peterson, Victoria, Co-Chairman, Darrell Williams, Chairman, Lavern Whisen-ton, Secretary.

Mrs. Mary Fenney
Sponsor of the Senior Class

The 1969 Senior class workers are dedicated Seniors who are willing to help the Senior Class Sponsor plan and organize the Seniors' future events.

Under the guidance and leadership of Mrs. Mary Fenney, these workers know when to issue important information to the Seniors. They are always willing to explain any information which might not be clear or understandable to the other members of the group.

These students give up their study periods and lunch time to help the Seniors fill out forms for rings, caps, gowns, order announcements and to pay class dues. They stay after school for such fund-raising occasions as dances, bake sales, talent shows and plays.

All of the transactions are completed in Room 212 at the lunch periods.

The 1969 Seniors appreciate the efforts of these workers who help to make their coming graduation day one of meaningful anticipation.

PROJECTIONISTS

The Audio Visual Squad is a great asset to the administration and the student body. The Audio Visual perform such tasks as setting up microphones for auditorium sessions and distributing locks, facilitating movement of overhead projectors, televisions, record players and slide projectors. The projectionists were responsible for the I. D. badge allot-

ment for this first time this year.

Directing the squad is Mrs. Anita McKinnery. Any student who qualifies for membership in projectionists must have and maintain at least a C average, be willing to give his time when needed, and pass the qualifications for operating and caring for the many machines available.

Janice Jackson, Audrey Price and Dorothy Meadows practice on the poles. Mrs. Agnes Quinn looks on

In September, 1968, some athletic girls reported to room 118 to sign up for G.A.A. They came prepared with just enough diligence and pride to combat the challenge of a new season. The 1968-69 G.A.A. year had begun.

These girls have a desire to participate in sports. They have the urge to excel.

Mrs. Deloch and Quinn put forth an earnest effort to help the girls develop their skills in volleyball, basketball, hockey, and track.

G.A.A. gives athletic minded girls an opportunity to show just how good they are by competing with girls of similar skills. G.A.A. is not just an ostentatious show of athletic skill, but it is an earnest opportunity to have fun.

The first part of the year, the girls play field hockey. The remaining part of the winter, they play volleyball, and basketball. In the spring they run track and play softball.
